

# THE CITY OF MUSCLE SHOALS

---

## *Month of Love*

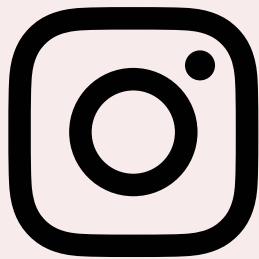

It seems surreal, but we are already coming up on the second month of 2023. Because this is the month of love, we are taking initiative and showing our local businesses some extra love and appreciation. For the whole month of February, any time you purchase from a Muscle Shoals business, pay for a service, or just feel like giving some thanks or positive recognition, post a shoutout on social media through a story or post with the hashtag #lovelocal, tag the City of Muscle Shoals, and we will share your post! Our goal is to come together, as a community should, and show honor and support of those that contribute their services to our city. You can find Muscle Shoals' newly opened businesses on page two and our social medias on page three.
